***Medical Boarding:** For patients who require additional monitoring and treatment such as those with wounds, bandage requirements, and essential ongoing medications.

***Medication Dispensing Fee:** Applied to each night of boarding where a pet is receiving medications such as antibiotics, pain medications, and steroids. This does not apply to supplements like Omega-3 and daily vitamins.

For the safety of all pets, we WILL NOT give unpackaged or off-label medications. Due to veterinary regulations, CBD oil is NOT allowed within our boarding facility.
